Sapporo Premium £2.5/330ml

Japan's longest running beer, freshly bottled. An old favourite for its light, sweet refreshment and subtly bitter, clean finish, this premium Sapporo beer offers the perfect balance of satisfying flavour and smoothness. Brewed to match malty, smooth German lagers through the use of barley and hops, this beer is refined with Japan's careful yeast fermenting to produce a naturally sweet lager.

Asahi Super Dry £2/330ml

Japan's all-purpose beer, freshly bottled. Offering crisp, light refreshment with its distinctively dry and naturally sweetened flavour, enjoy a fresher taste of Asahi's bestselling Super Dry pale lager with this bottled beer. Easy to drink with its fizzing smoothness and quenching aftertaste, Asahi has refined a thoroughly satisfying taste that doesn't require the complex depth and bitterness of heavier ales and lagers. Brewed with high quality barley, maize hops and of course Japan's finest rice grains, this beer expertly cultivates an umami richness with Asahi's own yeast and seals it superbly into an amber, everyday beer that suit all meals, snacks and occasions.

Kirin Ichiban Shibori £2/330ml

Brewed using the finest, most carefully selected malt available as well as the Ichiban Shibori brewing technique (where the beer is made from a single first pressing of the ingredients), this lager is as sweet and flavoursome as they come. Be sure to drink this fine lager chilled and straight from the fridge. Brewed in the UK.
